Our flagship beer, named after the hard-working neighborhood where Lakefront Brewery was founded.

Lands a brilliant amber in the glass and settles with a bubbly, off-white head, releasing mild peppery and floral hop aromas. A hint of caramel malt sweetness up front is checked by a pleasant hop bite and crisp, lager finish. Riverwest Stein: an honest day's beer.

Pair this with any good German entrée like schnitzel or rouladen and you'll have an instant hit.
