LAKEFRONT LAGER

PREMIUM LAGER

Everybody loves a dank, citrusy IPA, or a bold, chocolate-shake of an Imperial Stout; there's a time and a place for those. But, right now, it's time to get back to basics. Brass tacks, nuts 'n bolts, malt 'n hops. Premium, American-grown Pilsner malt gives Lakefront Lager its light-gold color and clean, crisp body while imported German Spalter hops impart a peppery spiciness and cedar woodiness. Let's appreciate the richness of simplicity. It's time for a Lakefront Lager.
