# PUMPKIN LAGER

## SPICED LAGER

AVAILABLE:  
AUG.-OCT.

Our Pumpkin Lager is one of the few pumpkin lagers available in the world. Real pumpkin and pie spice join Munich and caramel malts in our brewhouse, then lager for four weeks in our cellar, and come together with all the flavors of a lush pumpkin pie. The crisp lager profile and medium body let cinnamon, nutmeg, ginger and candied yam flavors meet the nutty, toasty malt base. No need for whipped cream.
