BOURBON BARREL-AGED BLACK FRIDAY™ VINTAGE RESERVE

Black Friday™ Vintage Reserve is the result of our Head Brewer reaching deep in the cellar, taking barrels full of Black Friday™ from 2014, 2015, and 2016 and blending them together. In addition to the classic Black Friday™ flavors—dark-roasted caramel malt and woody bourbon—the extra aging brings out chocolate, blackberry, vanilla, toasted pecan, and graham cracker notes, and is considerably less hot than its younger sibling. Worth waking up for!
